Dear Mr. Jackson:

Re: Bonding, Jim Gay Mine, ACT/049/005, Utah County

We appreciate receiving the reclamation bond for \$61,816.00 for the Jim Gay Mine; however, "Exhibit A" was not included.

This exhibit needs to be a description of the disturbed land or a map showing the disturbed area by Quarter, Section, Township, and Range.

Therefore, please forward this information to us so we can have the permit finalized and approved by Board of Oil, Gas and Mining.

Sincerely,

Frank R. Jensen
Soils Reclamation Specialist
